**TRANSMITTAL LETTER AND REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Enclosed herewith is a newly executed Combined Declaration and Power of Attorney (in 2 parts) for filing in the above identified application. This document replaces the previously submitted Declaration filed on October 12, 2004, as the previously submitted Declaration contained typographical errors, namely two provisional applications were not listed on the Declaration. Please see the enclosed copy of the Application Data Sheet as originally submitted to the Patent Office which contains the correct and desired priority claim. As such, the new Declaration simply captures the correct priority claim information as the application was originally filed. This error on the first declaration occurred without deceptive intent.

Furthermore, Applicant also encloses herewith a copy of the PTO date stamped return postcard indicating receipt of the original application as filed. We hereby request that the filing date of this application be corrected to reflect the actual date of deposit of the Express Mail with the Postal Service, namely November 13, 2003, NOT November 12, 2003, as reflected on enclosed postcard and the filing receipt. As such, Applicant kindly requests a corrected Filing Receipt for this application.

10/712,892

In the event any additional fees are due in connection with the filing of these documents, the Commissioner is authorized to charge such fees to our Deposit Account No. 07-0630.

Respectfully submitted,  
GENENTECH, INC.
